In Support of Building a Stronger Community

We have Homeless in our Community and A Place Called Home is Making a Difference.

A Place Called Home operates a 19-bed Emergency House for single adults, couples and families with children who find themselves without a place to call home.

Our services are offered in a community setting available 24-hours including accommodation, three meals a day, laundry facilities and the help that is needed in order to find permanent housing and helping to break the cycle of homelessness.

We thank you for your support!
